The “APOLOGETICS / Defending The Faith” Series

AUTHENTICITY OF THE BIBLE -Proving The Bible Through Archaeology 1Part

DVD \$24.95

Presented by: Grant Goodeve

Shrouded in mystery... guarded in time... preserved by God... unearthed by man. If it sounds as good as "Raiders of the Lost Ark", it's even better! There's a certain fascination we all have about archaeology: the task of digging up ancient artifacts. This program digs into the growing avalanche of archaeological evidence that helps prove that the Bible and ONLY the Bible is trustworthy as God's very Own Word.

In this century alone, some of the most startling Biblical finds have been uncovered by secular scientists, and even ordinary people! We believe that if you have doubts about the historical validity of the Bible, you won't after viewing this program. And because we needed to prove the Authenticity of the Bible in both historical AND supernatural terms, this show and the one below are essential to laying that groundwork.

AUTHENTICITY OF THE BIBLE - Proof Of Prophecy 1 Part

DVD \$24.95

Presented by: David Jeremiah

As we were saying... when we considered creating an in-depth Bible study series, we wanted to first establish that the Bible REALLY IS God's Word. Watertight evidence of that is the hundreds of specific, historically documented prophecies written in the 66 books of the Bible.. and the steady fulfillment of each and every prophecy throughout the ages since they were written. It has been stated that if we excluded every prophecy except for those about the birth of Jesus, the chances of just those prophecies being fulfilled ALONE would be VIRTUALLY IMPOSSIBLE. This program, along with its sister programs on archaeological and historical evidence, gives the proof that only God Himself could have written the Bible.

THE NEW EVIDENCE THAT DEMANDS A VERDICT 1 Part

DVD \$24.95

Presented by: Josh McDowell

Josh McDowell is regarded by most Christians and theologians as one of the most effective apologetics speakers around. When McDowell published his first powerful defense of the Bible in his book, “The Evidence That Demands A Verdict,” it became a national bestseller within a matter of months. McDowell’s writings contained a body of undeniable evidence on the validity of Holy Scripture. More recently McDowell has added even more solid information to his thesis, and, to the dismay of agnostics and atheists, made the validity of the Bible even MORE undeniable. This is the special television version of that powerful information presented by McDowell himself.

THE EVIDENCE THAT GOD EXISTS 1 Part

DVD \$24.95

Presented by: Ray Comfort

Do you know someone who constantly asks questions like “Do you really believe in Hell?” and “Where did Cain get his wife?” Don’t you often wish you could answer their questions effectively and factually, without getting exasperated? It sounded like a good basis for a Word Picture – specifically, a Word Picture featuring Pastor Ray Comfort. It addresses twenty life issues and frequently asked questions whose answers can be found in the Bible. It is a great introductory program to some of the most common objections about God and/or Christianity...answered in an insightful, unique, and often humorous way.

EVOLUTION vs. CREATION 2 Parts

DVD \$34.95

Presented by: Janet Folger

The Bible says Satan is the “father of lies”. And he’s very good at it. One of his best lies, in fact, is the lie that living creatures evolved from one species to another.

It is a lie so filled with holes that one well-known pastor has said, quite accurately, that “it takes more faith to believe in evolution than it takes to believe in creation”! Using solid, renowned researchers, this two-hour program explodes the myth and exposes the fraud surrounding one of the most widely accepted scams in modern history

BE PREPARED TO GIVE A REASON 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Do Evangelical Christians really believe 'good' people go to Hell, just because they don't believe in Jesus?" "Who says gay marriage, and/or abortion (or other moral issues) are wrong?" "Do Christians really believe God puts the President (and/or other world leaders) in office?" Have you ever been confronted with questions such as these (and others like them)? In our current socio-political environment, they're coming up more and more. And God has given ALL Christians a mandate (in 1 Peter 3:15) to "Always be prepared to give an answer to everyone who asks you to give a reason for the hope that you have. This 3-part series will equip you to respond biblically to the five most commonly asked contemporary questions of our day.

The “2-SIDES OF THE SAME COIN” Series:

SALVATION BY GRACE 2 Parts

DVD \$34.95

Presented by: Mark Kielar

“God's undeserved, unmerited favor for the infinitely undeserving”. Some of the most beautiful words ever written! But unfortunately, they're also some of the most UNAPPRECIATED words ever written. Because if you ask the vast majority of people, (and we DID just that in this program!) they will tell you that there's something THEY can do to earn heaven. Sadly, some of the world's most popular religions base salvation on something PEOPLE must do. But the Bible says otherwise. This is a teaching on one of the most important doctrines in Christianity: the doctrine which gives this particular show its title; and the one that MUST be received and embraced before ANY others can be fully benefited from.

FAITH WITHOUT DEEDS 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Although skeptical people will swear that there are contradictions in the Bible, there are none! But there ARE some paradoxes.

Paradox: God told Noah to build an ark at a time when rain had never fallen on the earth. We think Noah’s story provides the perfect parallel and visual backdrop for a teaching based on a sermon from the great 18th century Puritan scholar: Jonathan Edwards. It’s on one of Scripture’s other great paradoxes: how we cannot be saved by works, yet without works, we cannot truly be saved.

The “WAKE-UP CALL” Series:

AWAKE O’ SLEEPER 1 Part

DVD \$24.95

Presented by: David Jeremiah

Chances are you’ve had many “wake-up calls”.. but you’ll never get one as important as this. This is a teaching based on a sermon by the legendary John Wesley, whose unequalled command of the Bible is evident in hundreds of his works. And it’s written for all of you who are caught up in the stock market, making money, dating, your favorite sport – or ANYTHING else in your life that comes before God. In this message, Wesley sounds the spiritual “alarm clock” for everyone who needs to be woken up from their spiritual sleep. (By the way, we love Wesley’s work so much that it appears many times in the Word Pictures series.)

SINNERS IN THE HANDS OF AN ANGRY GOD 1 Part

DVD \$24.95

Presented by: Mac McConnell

If most people were honest with themselves, they would readily admit that they are a “sinner”. And because they’re in the company of millions of other “sinners”.. many would also admit that they find comfort in the concept that “nobody’s perfect”. Until they realize how the God of the Bible, the “Just Judge”, sees sin. This program explains God’s sober Truth about sin and its eternal consequences. The teaching, written by the man most would consider to be the greatest theologian in American history (Jonathan Edwards), has been described as the sermon that was largely responsible for the “Great (spiritual) Awakening” that America experienced in the 1600’s.

A CALL... 1 Part

DVD \$24.95

Presented by: David Jeremiah

There is a certain fascination with the U.S. justice system. Remember the bloody gloves? The Bruno Magli shoes? Judge Ito? In short: America loves a good trial.

But it is one thing to go before a human judge, and quite another to be judged by Almighty GOD. The intense subject matter of this program helps non-believers see how God judges their lives by putting them in HIS courtroom and showing them HIS standards. It is based on a sermon written by the great preacher Charles H. Spurgeon, known for his mastery of God’s Word, his compelling style, and his skillful use of illustrations. Startling but honest, it explains why NO ONE gets to heaven by earning it with their “good works.”

A GLIMPSE OF HEAVEN 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Heaven. Did you ever wonder what it would be like? With the capacity to bless and encourage all sincere believers, the subject of Heaven is one that is far too often mis-portrayed with wild, imaginative speculation. For this reason, this series is designed to take a Biblical view, a glimpse if you will, to provide a true and accurate description of what heaven will really be like.

A GLIMPSE OF HELL 4 Parts

DVD \$54.95

Presented by: Mark Kielar

Eternal Hell. A very “hard to swallow” doctrine that often has many objections, even from well meaning Christians, calling into question the character of God and the fairness of eternal punishment. With that in mind, this series is designed to help those people with their struggles by providing a Biblically true and accurate view of why hell exists and what it will really be like.

The “YOU MUST BE BORN AGAIN” Series:

BORN AGAIN 2 Parts

DVD \$34.95

Presented by: Mark Kielar

2000 years ago, under the cover of night, one of the most important conversations in all of Scripture took place between Jesus and a Pharisee named Nicodemus. And it was Jesus Himself who first used the term “born again” in that very conversation. So we have no qualms about saying that perhaps the most important words a person can ever proclaim concerning their spiritual condition are these: I am BORN AGAIN. So why is so critical a term so misused, misunderstood and difficult to define? This two-part program clarifies what “born again” really is, and is just as important for believers as it is for the skeptical, non-believing world at large.

THE NEW BIRTH 2 Parts

DVD \$34.95

Presented by: Mark Kielar

You may notice from time to time that the more critical the doctrine is in the Word Pictures series, the more in-depth the actual series is. So, in a natural continuation of the “Born Again” program, “The New Birth” show expounds on the essence and definition of this radical spiritual transformation Jesus called being “born again”. The process of the new, or “spiritual” birth, is discussed here in a way that helps add shape and meaning to a Biblical term that even professing CHRISTIANS, at times, have great difficulty in defining.

THE MARKS OF THE NEW BIRTH 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Since even Nicodemus, a ruling religious leader of Jesus’ day, needed a complete, specific explanation of what “born again” really means, those of us in the 21st century modern church can DEFINITELY use a good, hard-hitting “self-examination” on the subject. The New Testament is packed with different signs, or “marks”, of a truly born again person. And (in light of the fact that our eternal destiny weighs in the balance over the issue of whether we’ve been born again or not...) it’s obviously a good idea to check those “signs” or “marks” against our own lives, to see if we’re “on the right path” to heaven. Using a beautiful nature trail in Sedona, Arizona, as a visual allegory, the evident proofs, or “marks” that someone HAS truly been born again, are explained.

THE MARKS OF THE NEW BIRTH-Final Notes 5 Parts

DVD \$64.95

Presented by: Mark Kielar

A warm fireplace is the perfect place to be when you have to have one of those personal, heart-to-heart talks with someone. And so it was the perfect backdrop for this final portion of the series. But be forewarned: this is no casual “fireside chat”. It is a serious conversation meant for each and every viewer - personally. Using a detailed expansion of the more general points in the previous seven shows, this one-on-one encounter helps give each viewer a very tangible way to “examine themselves to see whether they are in the faith” - whether he or she is REALLY “born again”. It is without a doubt the most important self-examination ANY person will ever experience.

HOW GOD CONVERTS THE HUMAN SOUL 14 Parts

DVD \$134.95

Presented by: Mark Kielar

Oh, it is a valuable, valuable thing...(a thing beyond words)...to be found “in Christ”. It speaks of a vital, spiritual union with the Lord of Creation that Jesus himself described as being “born again”. And only those who have such a union (in Jesus’ words) “will see the kingdom of heaven”. But how does this “vital union” with Christ take place? Is it initiated by God or man? Exactly how does God convert the human soul? This 14-part series discusses the answers that scripture gives to those eternally important questions.

The “LOVE OF GOD” Series:

WHAT MANNER OF LOVE IS THIS 2 Parts

DVD \$34.95

Presented by: Grant Goodeve

LOVE. It is probably the most misused, OVER-used, poorly defined word in the English language. (In fact, pay attention to the opening clip of this show – it was created specifically to prove that point...). But scripture is clear on what true love really is:

“This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers” (1Jn3: 16). The overwhelming facts, the incredible physical, emotional, spiritual agony along with the undeniable medical evidence that the Crucifixion of Jesus was the most horrific event in human history. Yet this sacrificial suffering of Jesus brings us face to face with the reality of the INDESCRIBABLE love of God for each of us. After we are confronted with this truth our only response is to bow down at the foot of the cross asking the Eternal question, “What Manner of Love is This?”

PARDON FOR THE WORST SINNERS 2 Parts

DVD \$34.94

Presented by: Grant Goodeve

When you fully contemplate the Bible’s verdict on the condition of the human heart – that it is “wicked and deceitful ABOVE ALL”... and when you consider God’s judgment on the wicked and deceitful (particularly after watching a program like “Sinners in the Hands of An Angry God,” from page 4 of this same catalog)... THEN your soul will appreciate the content of this show. The humble, repentant viewer will be MORE than anxious to hear about the limitless depth of God’s beautiful grace. Probably our most diverse show in content, it blends testimonies on God’s grace from some of the worst criminals of our time... with a mix of writings from great men of God (like Edwards, Spurgeon, Wesley). It is a powerful message that gives hope to the hopeless.

SAFETY, SATISFACTION & REST 3 Parts

DVD \$44.95

Presented by: David Jeremiah

Barbara Hutton. Howard Hughes. Elvis Presley. Princess Diana. There is a verse in Scripture which says “What does it profit a man if he gains the whole world and yet loses his soul?” And, because the Word of God does not return void, we continually hear about such people – people who had everything. Everything except Safety, Satisfaction, and Rest for their souls. This three-part program devotes an hour to each of these three important attributes... describing where...and HOW... to get them.

THE TRUE CHRISTIAN’S LOVE FOR THE UNSEEN CHRIST 21 Parts

DVD \$184.95

Presented by: Mark Kielar

It is a blessing that is indescribable to be given the ability to "see" the "UNseen" Christ with the "eyes" of your soul. It is a rich treasure beyond imagination. To know, fellowship with, experience...and LOVE...Jesus Christ brings unspeakable joy, and indescribable, eternal blessings! And...in this series...the viewer is told how such love is attained.

The “RESETTING THE STANDARDS” Series:

TRUE AND FALSE CONVERSIONS 1 Part

DVD \$24.95

Presented by: Ray Comfort

There is an entire industry built around proving precious items – like diamonds and gold – to be authentic - the “real thing”. And, since the Bible says our faith is more precious than gold, our Christianity should be tested to see if IT is real – or fake. From a Bible teacher’s perspective, this task is NOT a job for the faint-hearted. So we again enlisted evangelist Ray Comfort, known for his signature “pull-no-punches” style. Using some important litmus tests, Pastor Comfort helps all professing Christians who are willing... to “examine themselves to see if they are in the faith”.

SCRIPTURAL CHRISTIANITY 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Not to sound cynical... but whatever happened to the BIBLICAL Church? The one which grew by the thousands despite intense persecution? The one where people gave whatever material possessions they had to whoever else needed them? This compelling, three-part, in-depth study is a necessary challenge for EVERY modern-day Christian, from the most well-known preacher.. to the most inconspicuous Sunday School teacher. The challenge is in gauging our Christianity by Scripture and the first Biblical Church recorded in the Book of Acts, and NOT by popular modern conceptions and manifestations of Christianity.

FAMILY WORSHIP 3 Parts

DVD \$44.95

Presented by: Mark Kielar

Here’s a seldom asked question: “What do you do for Family Worship?” These days Family Worship has fallen off the radar. In reality, Family Worship is your best opportunity to build a godly legacy to impact (not just your children and your spouse), but your church, in ways that will surprise and bless you! Even though the local church is obviously at the forefront of the battle to advance God’s kingdom, in many respects that battle is won in the trenches during Family Worship in the home. In this series we explore Family Worship - the biblical mandate for Family Worship, the obstacles and objections that arise, and some helpful practical recommendations for gathering the family around the altar to put into practice what the Lord has commanded in Deuteronomy 6:4-9.

HELL’S BEST-KEPT SECRET 1 Part

DVD \$24.95

Presented by: Ray Comfort

Have you ever heard the phrase “I have good news and bad news”? Well, when you look at the FULL gospel message, that’s a good phrase to keep in mind. The problem is, quite frankly, that a very important part of the full gospel tends to be missing from modern evangelism. Pastor Ray Comfort re-visits our Word Picture series to reveal this critical theological “secret” – a foundational Biblical truth that needs to be RETURNED to the modern pulpit and today’s evangelists... because it is a truth that has empowered all of the greatest evangelists throughout Church history.

THE GOOD STEWARD 19 Parts

DVD \$174.95

Presented by: Mark Kielar

ALL sincere believers long to hear those wonderful words from our Lord and Savior on Judgment Day: "Well done, my good and faithful servant"! But issues of stewardship can be as confusing as they are challenging!: "Is it biblical to borrow money?". "Is tithing commanded in Scripture?". "How much money is appropriate to keep for ourselves, and how much should be given to the poor and needy?". This 16-part series answers those questions... (and dozens more like them). And it explains that TRUE BIBLICAL stewardship involves much, much more than just our money!

A WORKMAN APPROVED BY GOD 35 Parts

DVD \$275.00

Presented by: Mark Kielar

How can I determine whether someone is correctly interpreting God's Word? In a day and age when there are over 1000 Christian Denominations, and literally thousands of cults, (and everybody seems to have a different interpretation of scripture), that's not an insignificant question. So how do you know? In a word: Hermeneutics. Which is just a fancy word for the science of biblical interpretation. And as Hank Hannegraaff, President of C.R.E. (a group dedicated to challenging cultic and heretical teaching) put it: "The best antidote to heretical teaching is a good hermeneutical training." Do you want to learn how to spot error, and rightly interpret scripture...for yourself? This is the most precise and complete series on that subject of its kind.

The "KING of KINGS" Series:

THE SOVEREIGNTY OF GOD 16 Parts

DVD \$152.95

Presented by: Mark Kielar

You've heard the "Calvinist vs. Arminianist" debates. You've heard that Calvinists and Arminianists could never agree...or that these issues are unresolvable. But if you're still in a state of frustration and/or confusion over this issue, you've definitely never seen the WORD PICTURES series, "The Sovereignty of God". This 16 part special series "connects the dots" on one of the most challenging doctrinal areas found in scripture. And it biblically, concisely and clearly resolves the major paradoxes and questions swirling around the doctrines of Predestinations and God's Sovereign Will. Paradox's and questions like:

- If God elects only some people to eternal life, how can He love all people?
- If God is sovereign, does that make Him the author of sin?
- How do you reconcile all of the paradoxical passages about God's sovereign will on the one hand, and man's "free" will on the other?
- Does God predestine men to hell?
- Is God's grace resistible?
- Just how "total" IS man's "total depravity"?

This is one of those doctrines that is foundational to a true and proper understanding of biblical Christianity. But, unfortunately, it has "slipped off the radar screen" in most modern churches today. OR it has been so badly misinterpreted, that it is hardly recognizable as a biblical doctrine. Don't be misled on this vital subject! And don't let the Spirit of the Age convince you that this is a "side" issue, or for "theologians only". It is a doctrine that (depending on where you stand on it) will affect virtually every other aspect of your walk with Christ...from your evangelism, to your prayer life, to your faith and obedience. So don't presume you've heard "both sides" of the argument. Most versions billing themselves today as either "Calvinism" or "Arminianism" ARE NOT BIBLICAL, and do not give an accurate assessment of the opposing position, OR biblical truth! And yet, an accurate understanding of this foundational truth will change and impact your walk with the Lord forever

REKINDLING THE FIRE – THE ATTRIBUTES OF CHRIST 18 PARTS

DVD \$163.95

Presented by: Mark Kielar

It is incredibly easy for Christians today to become "distracted" and to find themselves (ironically) neglecting the one thing that is most needed in our lives: fostering and nurturing our love relationship with Jesus, our Lord and King and Groom! Like any other relationship, our relationship with Jesus needs time. The time to grow, to simply develop and blossom, time to stop and reflect upon the joys and beauties of who He is, and what He means to us. That's exactly what this series is designed to do! We emphasize stealing away time from the worries and opportunities of life and just spending that time on "the one thing needed"...that "which is better" ...spending quality time drinking in His awe-inspiring attributes!

The “GUEST TEACHERS” Series:

HABITUAL SIN 1 Part

DVD \$24.95

Presented by: Steve Gallagher

Michelob. Penthouse. The &^%\$# word. Old habits die hard. And there are entire industries that thrive on the bondage of the habitual sins that millions of people – including many Christians – remain in. Steve Gallagher of Pure Life Ministries knows the destruction of habitual sin first-hand. His ministry and this message are based on the processes the Bible spells out in order to be free from the bondage of sin. A humbling but encouraging program for anyone who is ready to take the necessary steps. Interlaced with actual testimonies from real people who once struggled with specific sins.

OVERCOMING INSECURITIES 1 Part

DVD \$24.95

Presented by: Steve Gallagher

The Bible speaks volumes about freedom from sin. And although alcoholism and drug addiction are obvious habitual sins, living in constant discouragement is also a devastating form of bondage. Hence this sister program from Pure Life Ministries author, pastor and teacher Steve Gallagher, who recognizes one of Satan’s biggest tactics is discouragement. Here, Gallagher helps us to overcome one form of discouragement: insecurities. A faith-challenging message aimed at “renewing our minds” and replacing insecurities with the reliable, never-changing truths written for us in God’s Word. Once again, powerful real-life testimonies are an important part of Gallagher’s message, and are used to help viewers apply this teaching.

PURE JOY IN OUR TRIALS 1 Part

DVD \$24.95

Presented by: Joni Eareckson Tada

Ever notice how God often enacts ROMANS 8:28 in the lives of believers using trials? And how it seems that the greater the trial or tragedy, the MORE amazingly God uses it for His Glory? Take Joni Eareckson Tada:

In 1967 she was a beautiful, athletic young woman... when a summer diving accident suddenly left her a wheelchair-bound quadriplegic. Today, Tada is an award-winning author of 27 books, a painter, singer, actress, champion of the disabled, and public speaker. In this program, Joni helps explain the Romans 8:28 promise using her own life story. Interlaced with actual footage from the original motion picture film JONI, this message is a particular blessing for those going through a difficult trial.

TEN LIES ABOUT GOD 2 Parts

DVD \$34.95

Presented by: Dr. Erwin Lutzer

The Garden was beautiful. Adam and Eve were in perfect Paradise. They co-existed in perfect happiness with God. But not for long. Just three chapters into the book of Genesis, we read these infamous words coming from Satan himself: “DID GOD REALLY SAY...?” Since the beginning of time, we have been tempted to doubt God, we’ve questioned God and His Word, and we’ve misunderstood God. And in the process, we have come to believe certain untruths – lies – about Him. One of the foremost theologians of our time, Erwin Lutzer, breaks down and confronts the 10 most common misunderstandings about God.

WHO ARE YOU TO JUDGE? 3 Parts

DVD \$44.95

Presented by: Dr. Erwin Lutzer

Who Are You To Judge?" is a teaching based on the book by the same name. And it deals with the subject of discernment: the ability to distinguish the false from the true; or better, the false from the half true. Today (more than not) Mathew 7:1 (Do not judge, or you too will be judged"... is ripped out of its context, and applied as if it were meant to promote and teach blind, compromising "tolerance" of all sins as acceptable, and all viewpoints as necessarily equal in value. But our responsibility as members of the church is to distinguish biblical Christianity from the counterfeit spirituality and value's of today's world. Erwin Lutzer invites us on a journey to explore together how we might properly distinguish between truth, half-truths, and lies... so that we can learn how to "judge" in the biblical sense.

DOES THE TRUTH MATTER ANYMORE? 5 Parts

DVD \$64.95

Presented by: John MacArthur

Everywhere is apathy. Nobody cares whether that which is preached is true or false. A sermon is a sermon whatever the subject; only, the shorter it is the better."

Those words were written by Charles Spurgeon MORE THAN ONE HUNDRED YEARS AGO! Yet, he might have just as easily been describing the state of the church at the beginning of the 21st Century. Well, in this "tell-it-like-it-is" indictment of the attitudes, methods and approaches of much of the modern church, Pastor John MacArthur picks up where Charles Spurgeon left off... This is 'MUST VIEWING' for the modern Christian.

THE BIBLE'S INFLUENCE ON AMERICA 2 Parts

DVD \$34.95

Presented by: David Barton

Both the Bible and America are unique; both of their achievements are unmatched. But what many Americans don't know is that the two accomplishments are not unrelated! In this two-hour program, you'll see first hand the historical records that categorically document and prove the Bible has directly affected the most important aspects of our culture (including our system of government, law, education, free enterprise system, views of private property, social services, and more). As we go back in time and review these historical records, supported with Scripture, it's our prayer that this will be a tool that will strengthen your dialogue as you share with others the truth of God's Sovereign impact on who we are as a Nation.

The "SPECIAL FEATURES" Series:

THE BIRTH OF A KING 1 Part

DVD \$24.95

Presented by: Grant Goodeve & David Jeremiah

How many times have you stopped during the most stressful, hectic, expensive, tradition-bound time of the year and asked yourself: "WHY AM I DOING THIS AGAIN?" While many Christians breathed a sigh of relief when someone recently coined the phrase "Jesus is the reason for the season"... the Bible reveals that the COMPLETE Christmas story starts LONG before that night in Bethlehem. And though we eventually DO arrive there in this show, this Christmas story starts somewhere else; namely, the Garden of Eden. Using stunning locations, this program helps explain the significance of the original sin as it relates to the arrival of God's precious Son, complete with practical life applications for Christians... AND non-believers. (Definitely NOT your typical "Christmas special".)

JESUS FREAKS 1 Part

DVD \$24.95

Presented by: Grant Goodeve

“The fellowship of sharing in His suffering”... “He humbled himself and became obedient to death.” As far as the Scriptures that Christians love to quote and live by these are definitely not the most popular! Yet throughout the ages, millions of faithful Believers HAVE embraced persecution, suffering and death for their Savior. In 21st century jargon, thanks to a best-selling book by the same name, they have become known as “Jesus Freaks.” We adopted the title for this must-see show, which features rarely re-told stories of past and present martyrs in the faith, using stunningly realistic re-enactments, and music from “DC Talk”.

HE’S ALIVE! 1 Part

DVD \$24.95

Presented By: Mark Kielar

What really happened in Jerusalem on that "first day of the week" more than 2,000 years ago. Did a man named Jesus of Nazareth really rise from the dead? This program explores the five most "popular" theories of what actually occurred on that fateful day, and proves that only one of the theories can be (and is) true. There are a lot of "doubting Thomas" out there...but the fact is: IF it is true, that Jesus Christ rose bodily from the dead, then the claims of Christianity are forever vindicated. If (on the other hand) the resurrection did not occur, then (as the Apostle Paul wrote), then Christians "are to be pitied more than all men".

Written in part (and narrated) by pastor, researcher, and former hard rock musician Joe Shimmel, it is an alarming spiritual awakening for ANYONE who wants to know how violence, sexual immorality and blasphemy have been able to completely infiltrate the powerful, billion-dollar music business... WHY DID THIS DISASTER HAPPEN? 2 Parts

DVD \$34.95

Presented by: Mark Kielar

When disasters strike, it's natural to feel a mixture of various degrees of shock, fear, confusion, anxiety, depression, grief, sadness and/or even hopelessness. There is a sudden awareness that life has changed, perhaps irreparably, and permanently. And while there are the immediate, more pressing concerns of food, clothing and shelter to be dealt with, there are two, vital questions, (fundamental to our humanity), that consistently and universally arise in the aftermath of all disasters and that eventually rise above the din of all the rest that is happening to us, and around us. And those two questions are: 1) Why did this disaster happen? And... 2) What should I do next? This series addresses six biblical reasons as to WHY disasters happen and the necessary scriptural responses that will equip the Christian for understanding and sharing the answers to those two fundamental questions.
